

# Upcoming Events 2026

**Bihar Engineering University (BEU)** — A full year of academic excellence,  
cultural celebrations, and co-curricular growth

ACADEMIC YEAR 2026

BEU OFFICIAL CALENDAR

Made with GAMMA

# What's in Store for 2026?

A carefully curated calendar of academic milestones and vibrant co-curricular events designed to foster holistic student development at Bihar Engineering University.

**Year**

January – December 2026

**Type**

Academic & Co-curricular Events

**Purpose**

Student development, engagement & excellence

**Organiser**

Bihar Engineering University, Patna

# January — New Year Orientation Program

Date: 10 January 2026

Kick off the new academic year with an inspiring orientation that welcomes students, introduces faculty, outlines semester goals, and sets the tone for a productive 2026. A fresh start for every BEU student.

📅 JANUARY 2026

ACADEMIC EVENT

# February — Tech Month at BEU

## Tech Seminar: AI & Future

05 February 2026

Explore the frontiers of Artificial Intelligence — industry experts, live demos, and panel discussions on careers in AI and emerging tech.

## HACKATHON

## Coding Hackathon

20 February 2026

A 24-hour intensive coding challenge where teams compete to build innovative solutions. Prizes, mentorship, and glory await the best coders!

# March — Sports & Culture

## Annual Sports Meet

**10 March 2026** — Compete across athletics, team sports, and individual events. Celebrate fitness, teamwork, and the BEU sporting spirit!

## Cultural Fest "SANSKRITI"

**25 March 2026** — BEU's flagship cultural extravaganza featuring dance, music, drama, art, and fashion. A celebration of creativity and heritage!

APRIL 2026

# Mid Semester Examination

 **Date: 15 April 2026**

The Mid Semester Examinations test students on the first half of the curriculum. Prepare thoroughly, manage your time well, and give your best. Academic rigour is the foundation of an engineer's career.

-  Admit cards and timetables will be issued via official BEU notices. Check the notice board regularly.

# May — Workshop on Web Development

 Date: 05 May 2026

A hands-on, practical workshop covering HTML, CSS, JavaScript, and modern frameworks. Learn from industry professionals and build real projects. Perfect for students looking to strengthen their digital skill set before internship season.

SKILL DEVELOPMENT

MAY 2026

# June — Semester Examinations

The academic year reaches its most critical phase — practical assessments followed by comprehensive end-semester examinations.

## Semester Practical Exams

**10 June 2026** — Lab-based assessments evaluating hands-on skills across all engineering disciplines. Viva voce sessions with faculty examiners.

## End Semester Examination

**25 June 2026** — Comprehensive theory exams covering the full semester syllabus. Results contribute significantly to the final CGPA.

# 20

**July 2026**

Result Declaration Day

## Result Declaration

 **Date: 20 July 2026**

Semester results are officially declared, marking the end of the academic cycle. Students can access their scorecards through the BEU portal. A new chapter begins!

# August — Freshers Party "AAGMAN"

 **Date: 18 August 2026**

Roll out the red carpet for BEU's newest family members! AAGMAN is the grand welcome fest for the incoming batch — featuring performances, games, introductions, and a night of unforgettable memories. Welcome to BEU!

## **Performances**

Music, dance & comedy acts

## **Crowning**

Mr. & Ms. Fresher titles

## **Networking**

Meet seniors & faculty
